## HAVING AN EVENT AND WANT US TO ATTEND?

### \$500+ DONATION

- If appropriate to your event, we will bring a couple of adoptable dogs along with GHS employees and volunteers to take care of those dogs. (We do not offer on-site adoptions and ask if there is an interest in adopting a dog that the potential adopter comes to our Adoption Center after the event ends to complete the adoption process.)
- **Events are generally scheduled for a maximum of 2 hours. After that time, we have found that the animals begin to become restless and overstimulated.**
- If appropriate to your event, we can set up our tent & table with information about GHS.
- A contribution is required to book an event which provides for the event experience as well as an investment in our mission.
  - A monetary donation of a minimum of \$500 (if event is Monday-Thursday) or \$650 (if event is Friday-Sunday) prior to scheduling, or
  - If you are holding a profit-share event where you are collecting donations from others, you agree to uphold the minimum monetary amounts as stated above.
